Grammar

You **must** know:

a range of common verbs in the three main time frames – past, present and future.

a variety of opinion phrases and reasons why

a variety of time phrases

a variety of key infinitive structures

To help you revise you can revisit the topics we have covered in the online textbook
www.kerboodle.com

You can use www.languagesonline.org.uk to practise grammar

If you have bought the Studio / Viva grammar and translation workbooks use them!

For French the revision workbook is out – this is a very good resource.

Most importantly redraft, practice and practice saying out loud your speaking conversation topics.
You will start with theme 2 for the general conversation and then your second theme will come from the theme that isn't your photocard.

Extra study help sessions are available after school – Wednesday for Spanish and Friday for French.
