Dear \_\_\_\_\_ 06/06/2017

We are writing to invite you to attend our TEAM sessions.

TEAM will be a fun and relaxed group, of no more than 10 children, facilitated by Mrs Nield and Mr Berry. The objective of TEAM is to support you to develop your resilience. Resilience is our ability to work through and bounce back from difficulty.

The aims of the weekly group are as follows;

- To support you to make new connections.
- To provide positive experiences.
- To develop teamwork and communication skills.
- To provide enjoyment and fun.
- To support achievement and success.
- To help with planning and time management.
- To support you with problem solving.
- To facilitate learning through mistakes.
- To identify and recognise your strengths.
- To set personal goals for Year 9

We hope to provide a wide range of challenging activities that enable positive experiences, confidence building and support you to develop helpful relationships. Everyone will be supported to participate and have their voice heard. The group offers an opportunity for you to make new friends and connect with other people.

TEAM sessions will run for six weeks

1. **Friday 16<sup>th</sup> June at 11.30 – Team work and problem solving**
2. **Friday 23<sup>rd</sup> June at 11.30 – Team work and communication**

Mrs Nield or Mr Berry will then arrange to meet with you before the first session to review your strengths and difficulties questionnaire and think about your goals for TEAM.

If you accept your place Mr Foy will contact your parents to inform them of your involvement in TEAM. It would be helpful if you could share this information with them.

We are very much looking forward to working with you.

Mrs Nield
