School—Ground Floor

The map shows the ground floor layout of a school. A yellow box highlights a specific route: starting from the entrance to DT1 or DT2, walking through the middle doors, and then heading towards the Pod. The map includes various rooms such as classrooms (DT1-DT8), offices (A8, A9, A10), storerooms (M14, M15a), a kitchen (M19), and toilets (CL9, CL10). A large green area labeled 'MUGA Pitch' is also shown. Exit numbers E1 through E12 are marked throughout the building. A key in the top right corner identifies the room types by color: Classroom (green), Office (red), Storeroom (yellow), Kitchen (purple), and Toilet (blue).
