Physics Assessment Timetable

Assessment 1	Thursday 25 th March
Assessment 2	Thursday 1 st April
EASTER HOLIDAYS	
Assessment 3	Thursday 22 th April
Assessment 4	Thursday 29 th April
Assessment 5	Thursday 6 th May
Assessment 6	Thursday 13 th May

Assessment 1 topics

- 3.2.1.3 Particles/antiparticles/ photons
- 3.2.1.4 Particle interactions
- 3.2.1.6 Quarks and antiquarks
- 3.2.1.7 Application of conservation laws
- 3.2.2.1 Photoelectric effect
- 3.3.2.1 Interference
- 3.4.1.1 Scalars and vectors
- 3.4.1.3 Motion along a straight line
- 3.4.1.6 Momentum

Assessment 2 topics

- 3.5.1.1 Basics of electricity
- 3.5.1.3 Resistivity
- Multiple choice from all of Year 12 content

Further information about Assessments 3 – 6 will be given to you before Easter.
