

Blog work

Hi everyone, I would like you to go and browse this very good blog.

<https://www.myfrenchblog.com/>

Read the "home" page where she explains how it works.

After that, I want you to choose an article, read it,

1. summarise it in French
2. make a list of 10 NEW words you are to learn from it. It can be the words she choose to help you with (glossary of underlined words) or other ones that you like.
3. Write a sentence using them so that you can start to embed it.

L'article que j'ai choisi c'est:
(please insert name and link to it)

Mon résumé en français

My list of new 10 words that I will learn

My new 10 words in a sentence. (to practice using them)
