

February 2022

Dear Headteacher

**Bolton School Careers and Higher Education Fair
Thursday 31 March 2022, 6.00pm-8.30pm**

Bolton School are hosting our biennial Careers and Higher Education Fair on the evening of Thursday 31 March, from 6pm-8.30pm. We would like to invite students and parents from your school (from Years 9 through to Year 13) and any of your staff, who may be interested in attending. We hope the event will be of great benefit to students in helping them to make their future career choices.

Representatives will be present from a number of universities and a range of professions including several local businesses. Students will have the opportunity to speak with employers as well as receive information and advice on applying for higher education. There will also be a series of seminars taking place during the evening including:

Applying to Oxford and Cambridge
Creating a Competitive UCAS Application
Applying to Dental & Medical School
Apprenticeships

In order to ensure the safety of all attendees, we would politely request that students attending are accompanied by one parent only.

A full programme including a list of exhibitors will be made available nearer the time on our school website. <https://www.boltonschool.org/i-am-looking-for/school-information/news/>

We do hope that your students and parents will be able to join us and look forward to welcoming you on the evening.

Yours faithfully

L. Jones

Miss L Jones
Director of Higher Education
Head of Sixth Form Careers
Bolton School Girls' Division

P. Newbold

Mr P Newbold
