

Year 8 Revision Spanish

Topics covered this year:

1. Mi Casa
2. Mi Pueblo
3. Voy de vacaciones
4. Mis actividades en España
5. El año próximo
6. Comer y Beber

The best way to revise is little and often. Do not cram the night before your test – you will not retain the language. If you have been doing your learning homework throughout the year then you will easily remember your vocab!
