

Artist Study: Yellena James

About the Artist

- **Yellena James** is a contemporary artist and illustrator originally from Sarajevo, Bosnia and Herzegovina.
- She is now based in the USA (Portland, Oregon).
- Her artwork combines **organic shapes, lines, and colours** to create dreamlike worlds.
- She often uses **ink, acrylic, and markers** to layer intricate patterns.
- Her works are inspired by nature, plants, and underwater life — but they are **imaginary landscapes** rather than real scenes.

- **Bright, vivid colour palettes**
- **Intricate, detailed linework**
- **Sense of movement and growth in compositions**
- **Balance between chaos and harmony**

Key Features of Her Work

- **Abstract botanical forms** (not real plants, but inspired by them)
