Art and Design	5 hours	The 5-hour timed session will take place in the art room with normal breaks and lunch, students will be in exam conditions for the duration. During the 5-hour session students will be creating the final piece for their current project. We do not expect students to fully complete their piece withing this time frame. Students will be able to use the remaining lessons and after school catch up sessions to complete their piece and any outstanding elements of current or previous projects by the Christmas deadline of Friday 19th December.	Students have been provided with both a timeline and project planning sheet which breaks down the project into sections. Students should be developing and extending their project both after school and at home to build a strong portfolio of evidence. Further support can be found on GCSE bitesize and the students art guide: Developing ideas - Developing ideas - AQA - GCSE Art and Design Revision - AQA - BBC Bitesize Featured Art Projects – STUDENT ART GUIDE
Graphics	2 hours	The 2-hour timed session will take place in the Graphics room with normal timetabled breaks, students will be in exam conditions for the duration. During the 2-hour session students will be developing final designs for	Students have been provided with s schedule which breaks down the project into sections. One to one discussion has taken place regarding preparation and development required. Students should refer to notes.

		their current project. We do not expect students to fully complete all final outcomes within this time frame. Students will be able to use the remaining lessons and after school catch up sessions to complete their work and any outstanding elements of current or previous projects by the Christmas deadline of Friday 19th December.	Students should be developing and extending their project both after school and at home to build a strong portfolio of evidence. Further information about course requirements can be found here: https://www.aqa.org.uk/subjects/art-and-design/gcse/art-and-design-8201/specification/subject-content/graphic-communication
