**– Resources Committee
Governing Board of Turton School
Co-opted Governor Advertisement**

We currently have a vacancy for a Co-opted Governor on the Governing Board, specifically to contribute to the Resources Committee. Co-opted governors are appointed based on their skills and experience, which complement the existing board and support the school's strategic and financial objectives.

You do not need to be a parent of a pupil at the school to apply. Effective governors should be committed to supporting the school, able to ask questions and provide constructive challenge, and willing to work as part of a team to ensure the school's resources are managed efficiently and effectively.

The Resources Committee focuses on:

- Monitoring and overseeing the school's finances, budgets, and expenditure;
- Ensuring financial accountability and compliance;
- Supporting decisions about resourcing and strategic priorities.

We are therefore seeking a candidate with experience in finance, accounting, or financial management who can contribute expertise to the committee and strengthen the governing board's oversight.

Further information about the role of a governor can be found on the school website or via the LA Governor Services website at www.boltingovernanceservices.org.uk

If you are interested in supporting our school in this capacity, please complete and return the attached application form by 9:00 am on Thursday 12th March 2026. Appointments will be made by the governing board based on the skills and experience that best support the Resources Committee and the wider governing board.

If you would like more information or wish to discuss the role, please do not hesitate to contact me.

All newly elected and re-elected governors must complete a declaration of eligibility form to certify that they are not disqualified from being a governor. To ensure from the outset that candidates are eligible, the person nominated is asked to read and sign a pre-appointment declaration of eligibility form.

If you are considering standing in the election and would like some further information (on the work involved in being a Governor, for example) please do not hesitate to contact me.

Yours sincerely
